

# Parent PLUS Loan Worksheet

Use this worksheet to determine the amount of the Parent PLUS Loan that you should borrow.

**PART 1**

<b>Estimated Total Cost of Attendance*</b> (include billable and non-billable)	
<b>Total Aid*</b> (may be labeled as "Estimated Total Aid")	—
<b>Maximum Loan Eligibility</b> (maximum amount you are allowed to borrow)	=

\*amounts are listed on the Student Aid Summary in eLion.

**PART 2**

<b>Maximum Loan Eligibility</b> (number from last row in part 1)	
<b>Total Personal Contributions</b> (out-of-pocket funds, if any)	—
<b>Amount Needed to Borrow</b>	=

**PART 3**

<b>Amount Needed to Borrow</b> (number from last row in part 2)	
<b>Origination Fee**</b>	/ .95728
<b>Loan Amount to Request***</b>	=

\*\*a 4.272 % Origination Fee is deducted from each loan prior to disbursement. Dividing the loan amount by .95728 is an easy way to calculate the net loan.

\*\*\*The total loan amount to enter on the PLUS Request Form in eLion.
