Parent(s) Information

Legal parents are your biological and/or adoptive parents or as determined by the state (for example, the parent is listed on your birth certificate). DO NOT use grandparents, foster parents, legal guardians, widowed stepparents, siblings, aunts or uncles unless they legally adopted you.

How to complete this form:

- If your legal parents live together, complete this form about both of them regardless of their gender or marital status.
- If your legal parent (a) was never married and does not live with your other legal parent OR (b) is widowed, divorced or separated, complete this form based on the parent you lived with more during the 12 months prior to the date you completed the 2020-21 Free Application for Federal Student Aid (FAFSA). If you did not live with one parent more than the other, answer the questions about the parent who provided more financial support during the 12 months prior to the date you completed the 2020-21 FAFSA or during the most recent year that you actually received support from a parent.
